8:30 AM–2:30 PM

PURDUE UNIVERSITY

BURTON D. MORGAN CENTER FOR ENTREPRENEURSHIP

About the Entrepreneurship Youth Institute

FOR STUDENTS

- Learn about successful entrepreneurs' business ventures
- Investigate the steps of starting a business
- Discover the community and university resources that support entrepreneurs
- Connect with other youth entrepreneurs

FOR TEACHERS

- Share and discover materials for entrepreneurship education
- Explore ways to use entrepreneurship as a context to work with colleagues across the curriculum
- Receive up to **\$225** to use towards purchase of classroom materials to support entrepreneurship education efforts (for each participating school).

No Program Fee

There is **no fee** to attend thanks to a generous grant to the Indiana Council for Economic Education from the Indiana WIRED initiative (www.indiana-wired.net).

In addition, schools may request reimbursement for the following items.

- Sub-pay reimbursement
- Travel reimbursement (up to \$150)

Registration

Each teacher may bring up to 5 students. Teachers have until **September 19, 2008** to select students to attend the program. After September 19, if space is available, teachers will be notified and allowed to bring additional students. Sign up at www.econed-in.org/eyi.asp to receive registration materials in August 2008.
