The curriculum unit will be the primary determinant of your grade. Field trips are a part of each course. **Attendance at all sessions is mandatory.**

▶ These courses may be used for license renewal. If you have specific questions about continuing education hours, adding an economics endorsement to your license, or requirements for a Master's program, visit education.iupui.edu or call 317-278-5739.

▶ **These courses are by authorization**, meaning you must have approval from the Center for Economic Education before registering. To be authorized and to receive registration information, you must be a current IUPUI student (see below) and be able to provide a 10-digit university ID number on the back of this form.
