

## 2007 Graduate Credit Workshops In Economics

Each summer the Indiana Council for Economic Education (ICEE) sponsors intensive, graduate-credit workshops for K-12 teachers. These workshops cover a variety of economic topics and take place at the ICEE's University Centers. Teachers learn economic concepts and also develop curriculum units to use with their students. Thanks to our many generous contributors, the ICEE offers tuition scholarships to those attending the workshops, which over the years have become the "flagship" program of the ICEE. The workshops feature sessions in which local business, labor, and agricultural leaders serve as respondents and/or speakers.

Center	Title	Date	Time	Location	Reg. Fee	Contact	E-mail	Phone
U of Southern Indiana	Energy, Economics and the Environment	June 4-8	8 am - 3 pm	Evansville	\$75	Dr .Greg Valentine	gvalenti@usi.edu	812-465-1610
